

After some confusion between these calipers, we hope the following guide lines will help . . .

Ford Mondeo 09/04 >

**CA2448 & CA2448R**

Operating lever for the handbrake is to the left

**CA2449 & CA2449R**

Operating lever for the handbrake is to the right, again casting numbers are not helpful, both units have the same numbers (YO1681/YO1682)
