

Daewoo Lanos+Nubira Compressor oil capacity

In the case of the above-mentioned vehicles, the compressor oil capacity has been changed as follows:

Lanos: up to MY 10/98 → 265 ml

from MY 10/98 (chassis no. 348107) → 220 ml

Nubira: up to MY 11/98 → 265 ml

from MY 11/98 (chassis no. 286265) → 220 ml

Since there is no detrimental effect on the function of existing vehicles, the change in the capacity has to be taken into account only during maintenance and repair work.
