

Fiat Punto Type 188 with subwoofer radio system

Bulb replacement lefthand rear lamp unit

To replace the bulbs in the lefthand rear lamp unit, the subwoofer unit in the boot, and the complete lamp unit have to be removed. To do this, proceed as follows:

- Remove the boot cover
- Remove the 2 fixing screws (Fig. 1 / Pos. 1) for the subwoofer unit (Fig. 1 / Pos. 2)
- Disconnect the plug (Fig. 1 / Pos. 3)
- Unscrew the 2 fixing nuts for the rear lamp unit (Fig. 1 / Pos. 4 + Fig. 2 / Pos. 1)
- Remove the lamp unit, unplug the electrical connection (Fig. 3 / Pos. 1)
- Unscrew the 4 screws for the bulb holder (Fig. 3 / Pos. 2)
- Remove the bulb holder
