

## 826719 SAT locking plate removal

Part Number: 826719

For Vehicle: Fiat Ducato (250-251) 07/2006 >

Valeo Technical Support has received a number of calls on Valeo clutch kit 826719 with fitters asking if they need to remove part of the clutch cover. For clutch kit 826719 the clutch cover has a shipping plate built into it that holds the self adjusting mechanism in place. The shipping plate is only to be removed once the clutch has been bolted onto the flywheel and torqued to the manufacturer's guidelines. The shipping plate may contain a sticker as seen below.

*Warning sticker on the clutch cover*
